## INDUCTEE: JON DANAS PLAYER HOLY TRINITY BRIDGEPORT

Jon was born May 14, 1963 in Pittsburgh Pennsylvania and is the oldest of 4 brothers. Jon, Dean, George and Chris all participated in the CEOBL. Jon's parents Nick and Marie volunteered their time at the inception of Holy Trinity's athletic program. Nick as a coach and Marie in

One of Jon's fondest memories is being a member of both the midget and junior teams that won the championship in the same day in the span of two hours in back to back games. A common theme among all of our Hall of Fame inductees not only in this class but in all of our classes, is the lifelong friendships that have been made, "I have friends that I never would have met if not for playing in the CEOBL."

Jon attended Notre Dame high school where he played Basketball and Football. Jon has been employed at Sikorsky for thirty seven years. He played softball on three national championship teams.

Chris, Jon's youngest brother is one of the major forces behind our Hall Of Fame festivities.

Jon has daughter Danielle that lives in Stratford. Jon resides in Bridgeport.

Rick has been a life-long member of St. Dimitrie Romanian Orthodox Church. He started playing in the CEOBL in 1970. Rick was the MVP of the Senior division his first two years in the league. He also coached in the intermediate division. Rick was a dominant force for most of his CEOBL career. He played until 1993 when his knees told him it was time to retire. Rick's sportsmanship and friendly demeanor left a lasting impression with his teammates and his opponents.

Rick worked in IT for People's United Bank for many years and then had his own IT consulting firm until he retired.

# INDUCTEE: CHARLES "CHARLIE" GULLOTTA COACH CEOBL

Charlie was born January 26, 1927 in Pleasantville, NY. Charlie proudly served in the Army from 1945 to 1947. He married Susan "Suzie" Gilbert in 1953 and they proceeded

grow a family of eight children over the next 10 years Sonny, Gail, Carol, Lea, Charlie Jr, Charlene, Michael, Salvatore. Charlie loved coaching the kids that became young men during his nearly 15 years of coaching at St. Johns. Charlie coached in all four divisions and won a championship in each division during his coaching career. One of the games Charlie always spoke about and remembered fondly was between St. Johns and St. Dimitrie, watching Hall of Famers Mike Henetz and Phil Nastu going basket for basket. The final score was 109 to 100, but the scoreboard read 09 to 00. Shortly after that game Holy Trinity realized the need to update its technology and installed a new scoreboard that is still in the gym to this day.

Charlie was employed for thirty six years at Sikorsky retiring as Superintendent of Flight Operations in 1987. Charlie would have team bonding event weekends several times a year in Vermont for the St. John's Senior basketball team, their wives and girlfriends at the Sikorsky Ski lodge "The Meeting Place" in Ludlowe. The noise from the crowd was so deafening that George's 80 year old Grandfather had to leave the gym. Rumor has it he never returned. **Branford**, CT

308 East Main St. Branford, CT 06405 (203) 208-1469 Good evening inductees, parents, players, friends and family, and welcome to the Fifth Holy Trinity Athletic Hall of Fame!

Many of you know I grew up here, in this program, and I remain motivated to pay forward the good experiences I had growing up. This Gala tonight is evidence of the growth of the program, and we are so pleased to have each one of you here to celebrate with family and friends. I am truly humbled to be a part of it, past present and future, and appreciate the opportunity to work in Athletics and with our families of Holy Trinity.

While we continue to grow and try new things, there are some things that remain the same – for good reason. From the earliest days, Holy Trinity Athletics was filled with community, inspiration, team work and sportsmanship. It was also filled with hard work, sweat, tears, laughter, wins, losses, competitiveness and some good ole fun! I could go on and on about how 'passionate' some of the more competitive games get, but that's not the point. The experiences gleaned from playing a team sport, the lifelong lessons, friendships and fellowship, etc. are ALL still a part of the program. We work hard at ensuring a positive experience. And did I mention that right next door you'd be able to catch a really good game?

Our youth is our future and we have very special group of players across ALL of our teams, and across all ages. Thank you for sharing your children with us in Athletics.

And remember, you've got to believe!
